“The uniquely designed edge of this keratome is exquisitely sharp and produces exact and square incisions.”

~David M. Lubeck, MD  
Homewood, IL

“These blades are incredibly sharp, provide just the right amount of tissue feel, and create a beautiful long tunnel with remarkable consistency.”

~Douglas Koch, MD  
Houston, TX

“The blade cuts like a diamond.”

~Charles S. Ahn, MD  
Downers Grove, IL

“The blade is the best I ever used.”

~Alan Crandall, MD  
Salt Lake City, UT

“The sharpness of this blade and even square incision created make me feel like I am using a diamond knife.”

~James Katz, MD  
Des Plaines, IL
