Dr. Aguilari
Mexicali, BCN, Mexico

Dr. Aguilari Instrument Set

Aguilar Prechopper: AE-4194

- Smaller blades for easier entry through a 2.0mm incision size
- Special beveled blades used for prechopping for the upper surface or lower surface

Aguilar Sustainer: AE-2548

- Designed to take into account the peripheral curvature of the lens
- Holds the lens securely during the counter traction technique

The more you know...™
